NOTICE:

NSW POLICIES ONLY - CHANGES TO NSW EMERGENCY SERVICES LEVY

NOTICE UNDER SECTION 30

For policies commencing from 1 July 2017, the NSW Government intends that the Emergency Services Levy will no longer be included as part of the cost of your property insurance. This means that insurance premiums will be lower than would otherwise be the case.

Your current Emergency Services Levy is detailed on your insurance policy statement.

From 2017-18, funding for the emergency services agencies will be collected alongside local council rates. Councils will clearly show the new levy as a separate item on your council rates notice. This change in the method of collecting funding for those agencies is intended to ensure all property owners contribute their fair share to the cost of emergency services, rather than only those choosing to insure their property. The Government has indicated this change will not reduce the funds available to the emergency services agencies.

If you would like further information on the insurance side of Emergency Services Levy Reform and the removal of the ESL you can contact the Monitor on Ph: 1300 607 723, enquiries@eslinsurancemonitor.nsw.gov.au, or www.eslinsurancemonitor.nsw.gov.au.

If you require further information about the property levy side of Emergency Services Levy Reform and the new ESPL, please email your enquiries to ESPL.info@treasury.nsw.gov.au.
